

Transcripts for case study video – Lijo Mathew

3s – My name is Lijo Mathew

4s – I was born and brought up in Oman

6s – so I'm outside of India.

7s – My parents, my cousins, my wife are also in India.

11s – So I send them money.

13s – Cultural festivals like Christmas, Onam,

16s – we celebrate in the office.

24s – I do have certain investments in India, in real estate.

28s - The real estate is also developing

30s - New industries are moving their headquarters to India.

37s – Since the pandemic, I have felt more connected

40s – because I contacted all my friends,

41s – all my relatives who are in India.

44s – I started to be in touch with them more often;

47s – and as well as with my parents, with my wife,

49s – and all my relatives as well.

51s – I go for vacations to India, like once in two years.

55s – So at that time I'm not able to see everyone,

57s – who are friends, who are my family.

1m – So due to the pandemic, I got more connections

1.03 – with my family and my friends.
