Upbeat music plays	HSBC Global View Global Transfer Guide title
Global View lets you link and see all your HSBC accounts from different countries on one page and Global Transfer lets you instantly transfer money to your HSBC accounts around the world.	Woman stands up from her desk and walk towards a table with a phone in her hand. She sits down and opens up her laptop.
But before we get to transfers, let's learn how to set up your Global View.	Woman logs on to HSBC online banking on her laptop. Keyboard and mouse clicking sounds.
Log in to internet banking, click on 'My banking' and under 'Global View' click on 'Add or remove a country/territory'.	Woman typing on laptop, typing and mouse clicking sounds heard. Log on page appears and mouse is seen clicking on tabs.
Choose the country you want to add and click 'Continue'. You will then be redirected to your selected country's online banking.	Woman typing on laptop and we can see her mouse adding a country within Global Views.
By inputting your user name, answering your memorable question and entering a security code generated by your secure key device. Read and accept the terms and conditions and click 'Link Profile'.	Woman still typing, keyboard clicks heard, and we can see her type in a user name under log on, her password and checking and entering her security digits.
With Global View you can see all your HSBC accounts on one page.	Woman smiling at laptop and we can see the screen scrolling to reveal her accounts.
When you're ready to transfer money to your overseas account, log in to your HSBC app. Click on 'Move Money' in	Woman gets up from the table and checks her mobile phone. We can see

the bottom menu and select Global Transfer.	her mobile screen as she moves money between accounts
You can now select and transfer money to the specific account in the country you've linked your Global View.	Woman sits down on sofa and continues with Global transfers on her mobile.
Choose the account you want to send from and the account you want to receive the money in. Select the currency and amount you want to send. Review all the details are correct and click 'Continue' to confirm your transfer.	Woman sitting on sofa making money transfers on mobile. Hand cursor selecting countries, amount, and the red 'continue' button.
It's really that easy. In the time it took to watch this video, your money could have travelled from London to Hong Kong to Sydney many times over. Try it for yourself today.	Close up of woman on mobile device, smiling. She puts her phone down and stretches her arms above her head.
Music ends, HSBC signature tune playing	HSBC logo, Together we thrive
