

Global view lets you link and see all your HSBC accounts from different countries on one page. Let's learn how to set-up your Global View.

Log in to online banking. Under 'Account services', click on 'Manage global accounts' and select 'Add/Remove your country/territory'

Select the country you want to add and click 'Link a country/territory'

Log in to your selected country's online banking by inputting your username, answering your memorable question and entering a security code generated by your secure key device.

Read and accept the terms and conditions and click 'Link profile'

With global view you can see all your HSBC accounts on one page.

Try it for yourself today.
